INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. §§ 1.56 and 1.97

Dear Sir:

Submitted herewith on Form PTO-1449 is a listing of documents known to Applicants and/or their Attorney in compliance with the requirements of 37 C.F.R. § 1.56. Copies of the documents (Refs. A1-A3 and C1-C2) are not provided as they were previously cited by or submitted to the Patent Office in prior patent application serial no. 09/645,626, filed August 24, 2000, and relied upon for an earlier filing date under 35 U.S.C. §120.

In compliance with the requirements of 37 C.F.R. §§ 1.56 and 1.97, Applicants have cited for the Examiner's consideration co-pending U.S. patent applications that are owned at least in part by the assignee of this application and that describe subject matter related to the present invention. The co-pending applications are listed herewith in accordance with M.P.E.P. 609 III.D which states: "Applicants may wish to list U.S. patent application numbers on other than Form PTO-1449 or PTO/SB/08A format to avoid the application numbers of pending applications being published on the patent. If a citation is not printed on the patent but has been considered by the Examiner in accordance with this section, the patented file will reflect that fact as noted in subsection III.C(2) above."

No copies of the co-pending applications are provided. If the Examiner wishes to have copies of the co-pending applications, the Examiner should contact the Attorney of record.

Our Docket #	Serial #	Date Filed	Title
TCK-001.02	09/645,626	August 24, 2000	Systems and Methods for Organizing Data
TCK-003.01	Not Yet Assigned	Even date herewith	Systems and Methods of Searching Databases

This submission does not represent that a search has been made or that no better art exists. Nor does it constitute an admission that the cited documents are material or constitute "prior art." If the Examiner applies the listed documents as prior art against any claim in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents. Applicants further reserve the right to take appropriate action to establish the patentability of the claimed subject matter over the listed documents, should one or more of the referenced documents be applied against the claims of the present application.

Applicants respectfully request that the Examiner consider the listed applications.

No fee is believed due. If a fee is occasioned or if extensions of time are necessary, the Commissioner is authorized to charge any fee or credit overpayment to our Deposit Account No. 06-1448, Ref. TCK-001.03.

Date: July 22, 2003
Customer No: 25181

Respectfully Submitted,
